By sector / country / city

Dormitories

Capacity & occupancy

HOW THE PILOT RUNS

01 Share Data

You send Excel / CSV in our simple template format.

02 We Setup

We deploy your cockpit and turn on monitoring.

03 Run Live

You use it 14 days with real ops, we watch logs.

We don't promise perfection – we promise no silent failures. DB, sync & dashboard are all watched.

Ready to see your agency in one cockpit?

Limited 14-day pilots • Remote setup • You keep full control of your data
